Committee Meetings

The Committee met four times during the year:

October 1, 2008
December 4, 2008
February 5, 2009
April 23, 2009

Committee Activities

- Several Committee members participated in the fall and spring safety walks sponsored by the Missouri Students Association.
- The Committee reviewed the 2007 Clery Report prepared by the MU Police Department on campus safety and crime statistics.
- The Committee monitored pedestrian and bicycle safety at several meetings. Areas of bicycle congestion were identified at the Physics Building and a section of Sixth Street near Engineering Building West. The

Committee also received an update about a campus golf cart policy being developed by the Campus Parking and Transportation Committee.

- The Committee reviewed separate proposals by Residential Life and MSA to install several new emergency phones.
- The Committee received a presentation on campus emergency preparedness activities, including an update about the mass notification system.
- The Committee received a presentation about the Campus Fire Safety Right-to-Know Act that was passed by Congress.
- The Committee reviewed fire related incidents for calendar year 2008.
- The Committee received a report about campus participation in the annual statewide severe weather drill.
- The Committee received a report about campus injury statistics based on Workers Compensation claims experience.

Recommendations

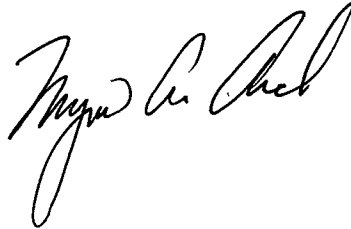

The Committee formally adopted a recommendation that emergency phones be installed at University Village and at Tara.

The Committee adopted a motion supporting the installation of emergency phones in Greek Town.
