

## **Student Financial Aid Committee Annual Report for 2014-15**

The charge to the committee is to make recommendations to the Provost regarding the MU Student Financial Aid program, including the awarding and dispensing of gifts, loans, and work aid, and the operation of campus aid programs such as the scholarship and student work programs. The committee also assists in developing special programming and proposes guidelines for new scholarship programs.

The committee met on 27 October 2014, at Mizzou Arena. The agenda included introductions by committee members and a presentation by Charlie Brunette reviewing University procedures and NCAA rules pertaining to athletic-related financial aid.

There were no other meetings during the academic year, though one is planned for 17 June 2015 to hear an appeal from a student.

The chair completed multiple voluntary relinquishments of aid forms during the year.
